# THE TECHNICOLOR TIGER

The School Publications Class is very proud to introduce to the student body The Technicolor Tiger. He represents several bitten fingernails, numerous ejaculations, and perhaps a few sleepless nights. To procure him for our frontispiece, we worked overtime (without time and a half). We feel, however, that the result was well worth the sacrifice. And now on with our journey through the '58 Tiger.

# ALMA MATER

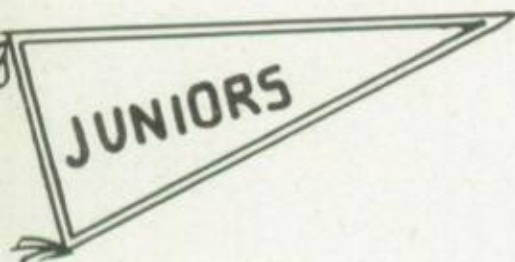

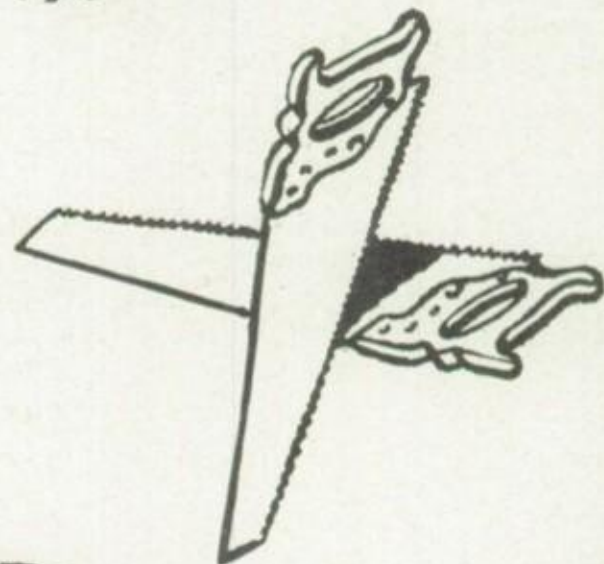

There's a school called Lamar High School,

Which we all adore;

There will never be another,

That we worship more.

Chorus:

Lift the chorus speed it onward

Great her praises are;

Hail to thee our alma mater

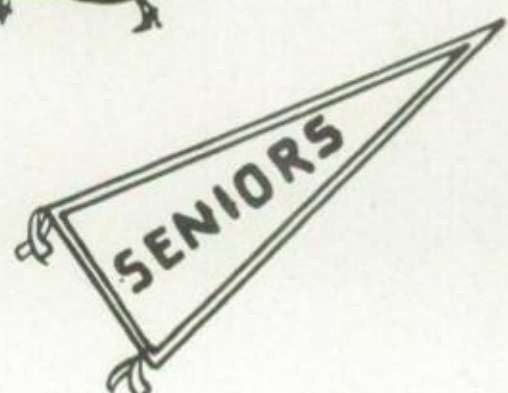

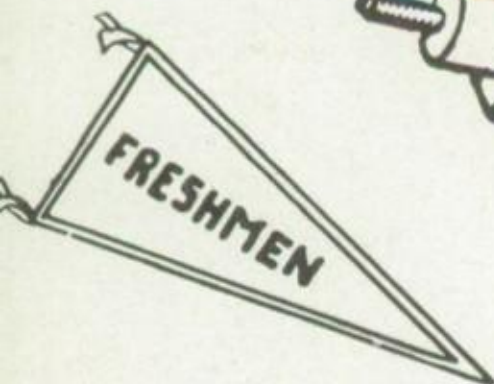

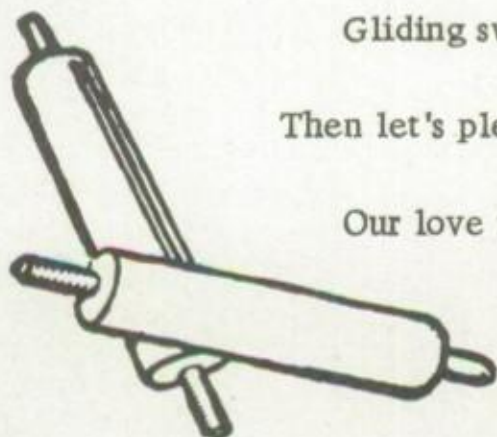

Hail, all Hail, Lamar.

Life at Lamar High is passing,

Gliding swiftly by;

Then let's pledge in word and deed,

Our love for Lamar High.

## B TEAM IN ACTION

In one of the finest team efforts and displays of cooperative spirit, Coach B...

mar Tigers ran down Friday night and third conference game.

In one respect this was a throw contest. A total of 14 fouls were called—11 on Monett and 29 on Lamar. The full advantage of this was taken and tossed in over 70 of their tries. John Moritz had a perfect record with 14 free throw attempts, 14 for 14. V. Moritz had 2 for 2, V. man had 4 for 4, 1 had 6 out of 9, Juni out of 7, John Cock 8.

From the field, was high with 6 goals, Cockrell, Warner and Goodman each had 3 and Moore 2.

An evidence of the over-all team efforts lies in the distribution of the total scoring. Berry and Moore each had 11 points, Warner 11 and Cockrell 10 each. Moritz 2.

High in total scoring was Meuser with 12 and Turner...

In spite of the great number of fouls, this was a game in the ordinary of the word. The stages of the game became a bit erratic but a consensus seemed to be that the game was called closely.

Officials on the floor were Pottenger and Official scorer was...

The B team was stone cold at the free throw line and lost to the Monett B team 33 to 39. Lamar missed 21 free throws out of 28 attempts. Total scoring for Lamar was Rice 10, Ayers, 9, Korn 6, Courtney 6, Heydenberk and Heckman one each.

# **TODAY IT'S YOURS . . .**

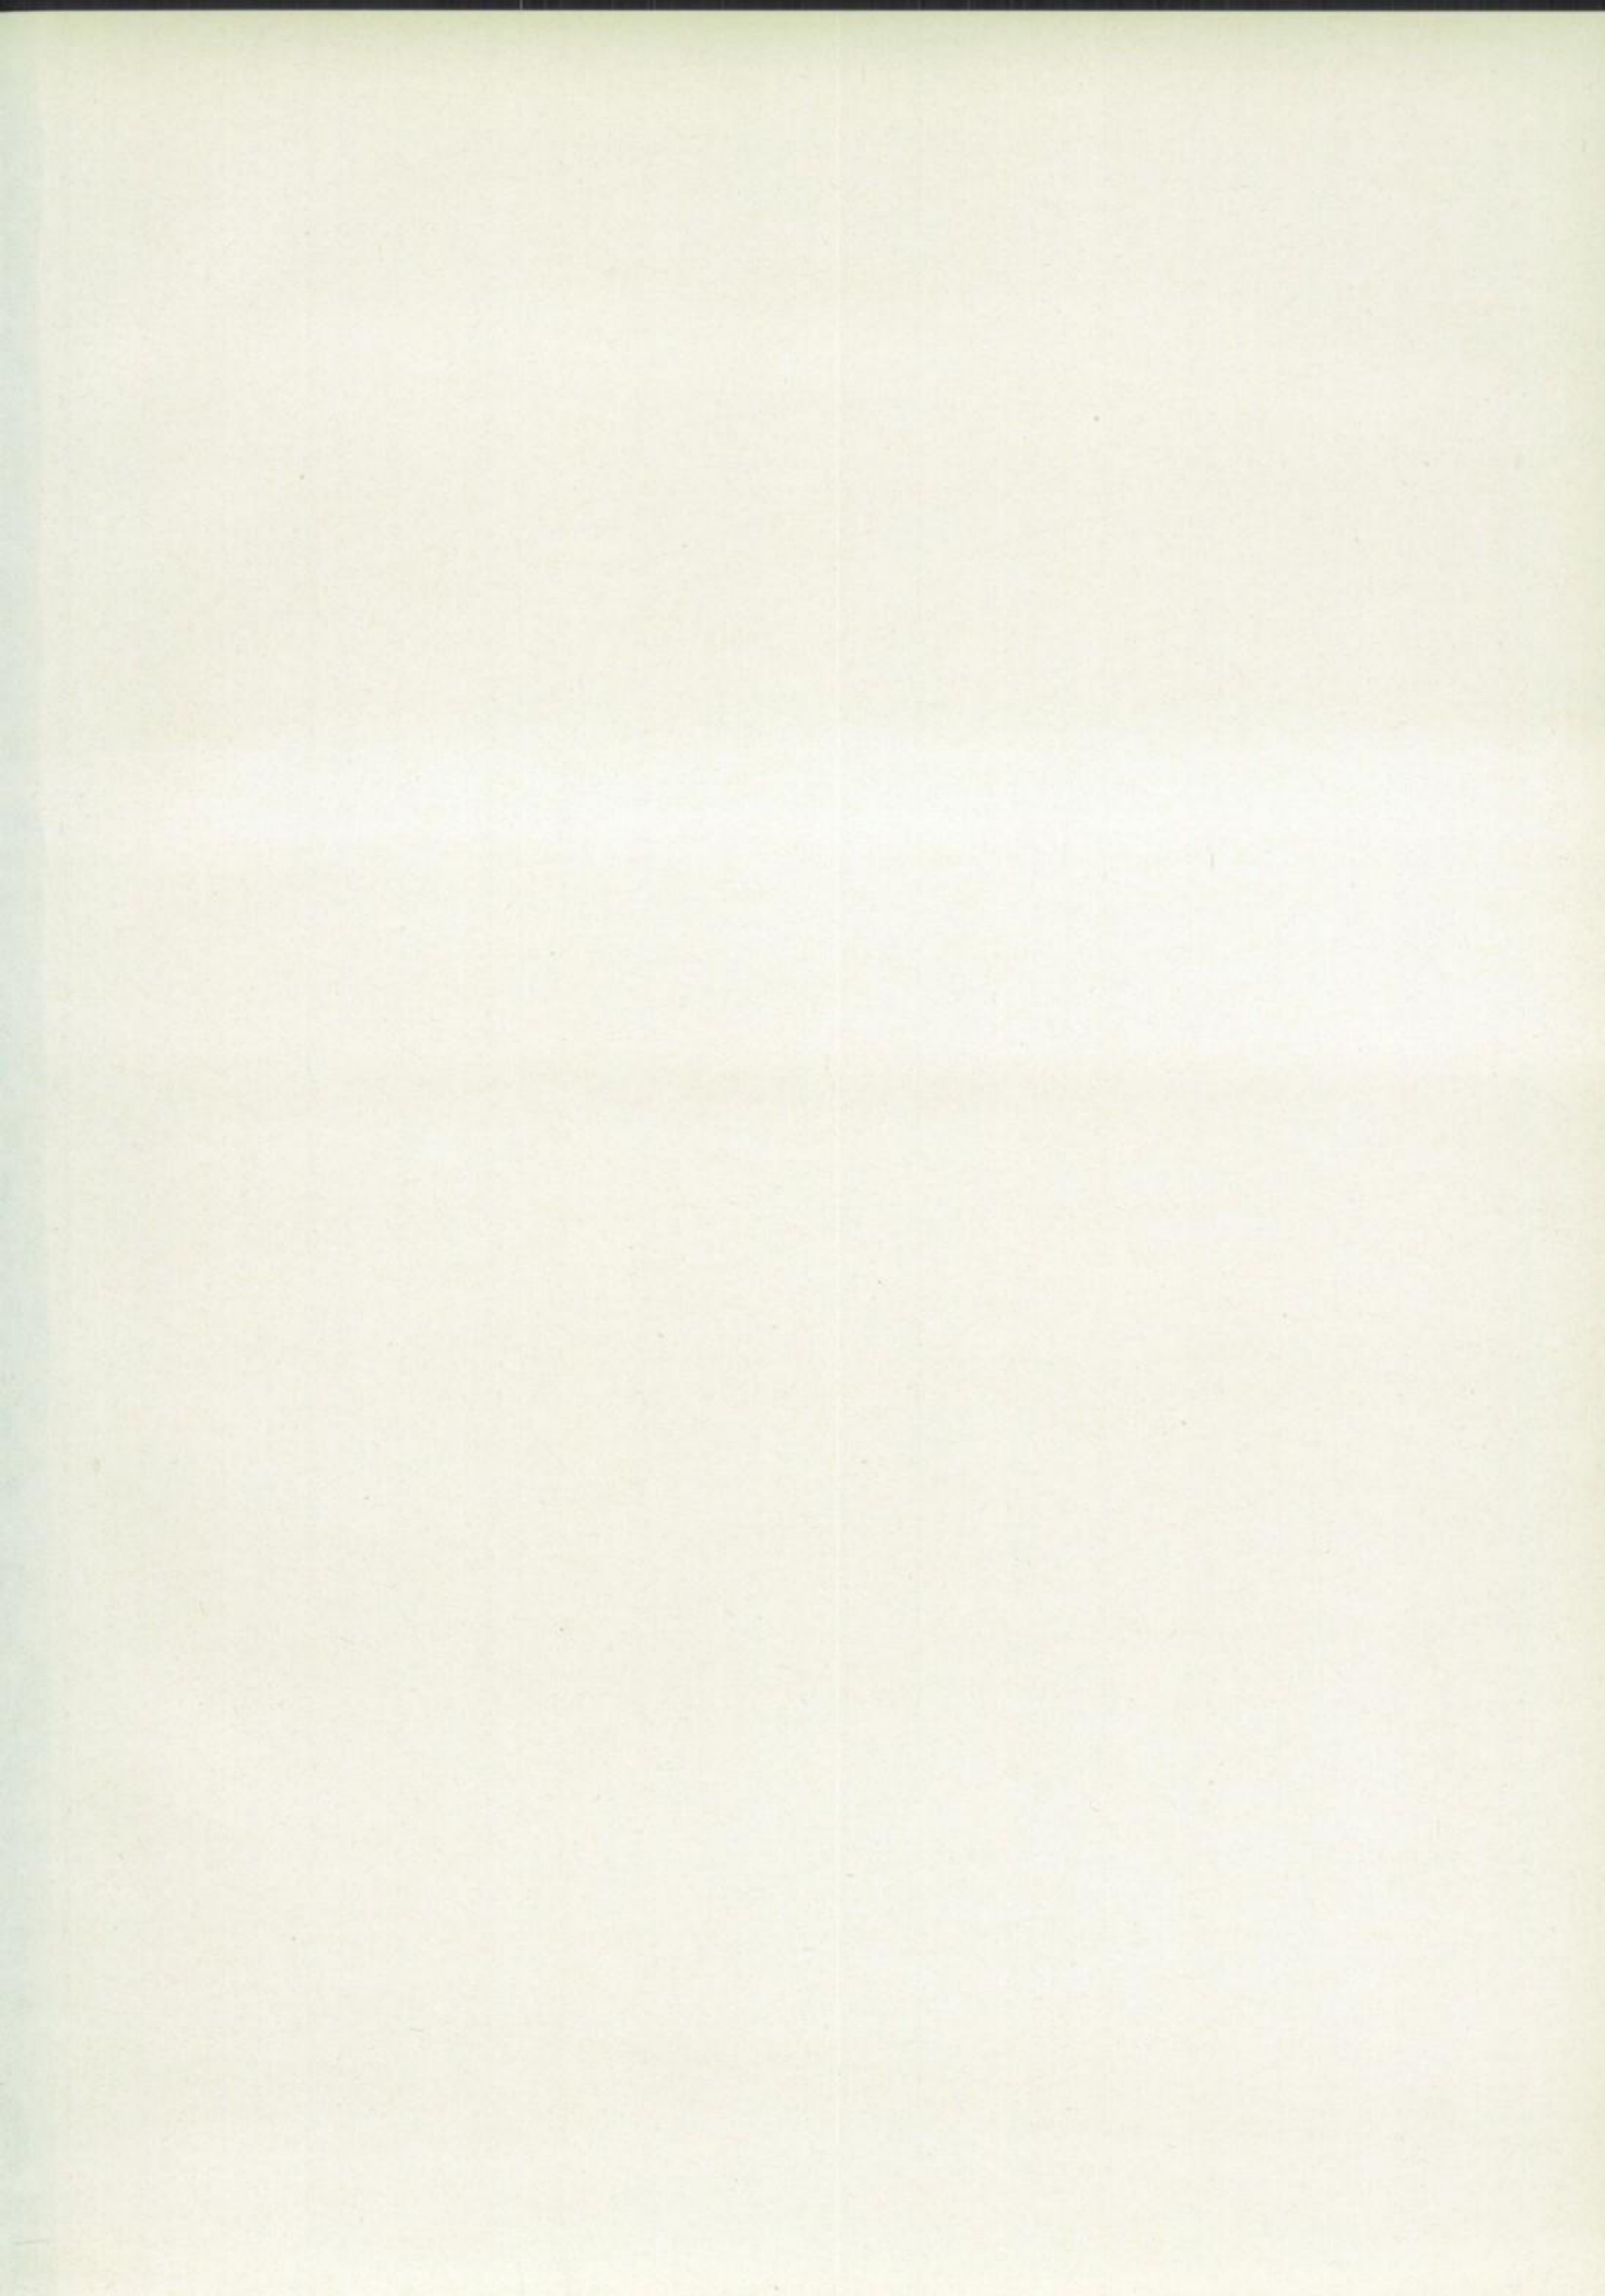

It is not without a degree of trepidation that we place this 1958 Tiger in your hands. The staff feels that it has been a privilege and an honor to have had a part in the recording of the life and activities of L.H.S.

We wish to thank each of you, who through cooperation, suggestions and contributions of effort and materials, have aided us in making this (we sincerely hope), a yearbook that you like.

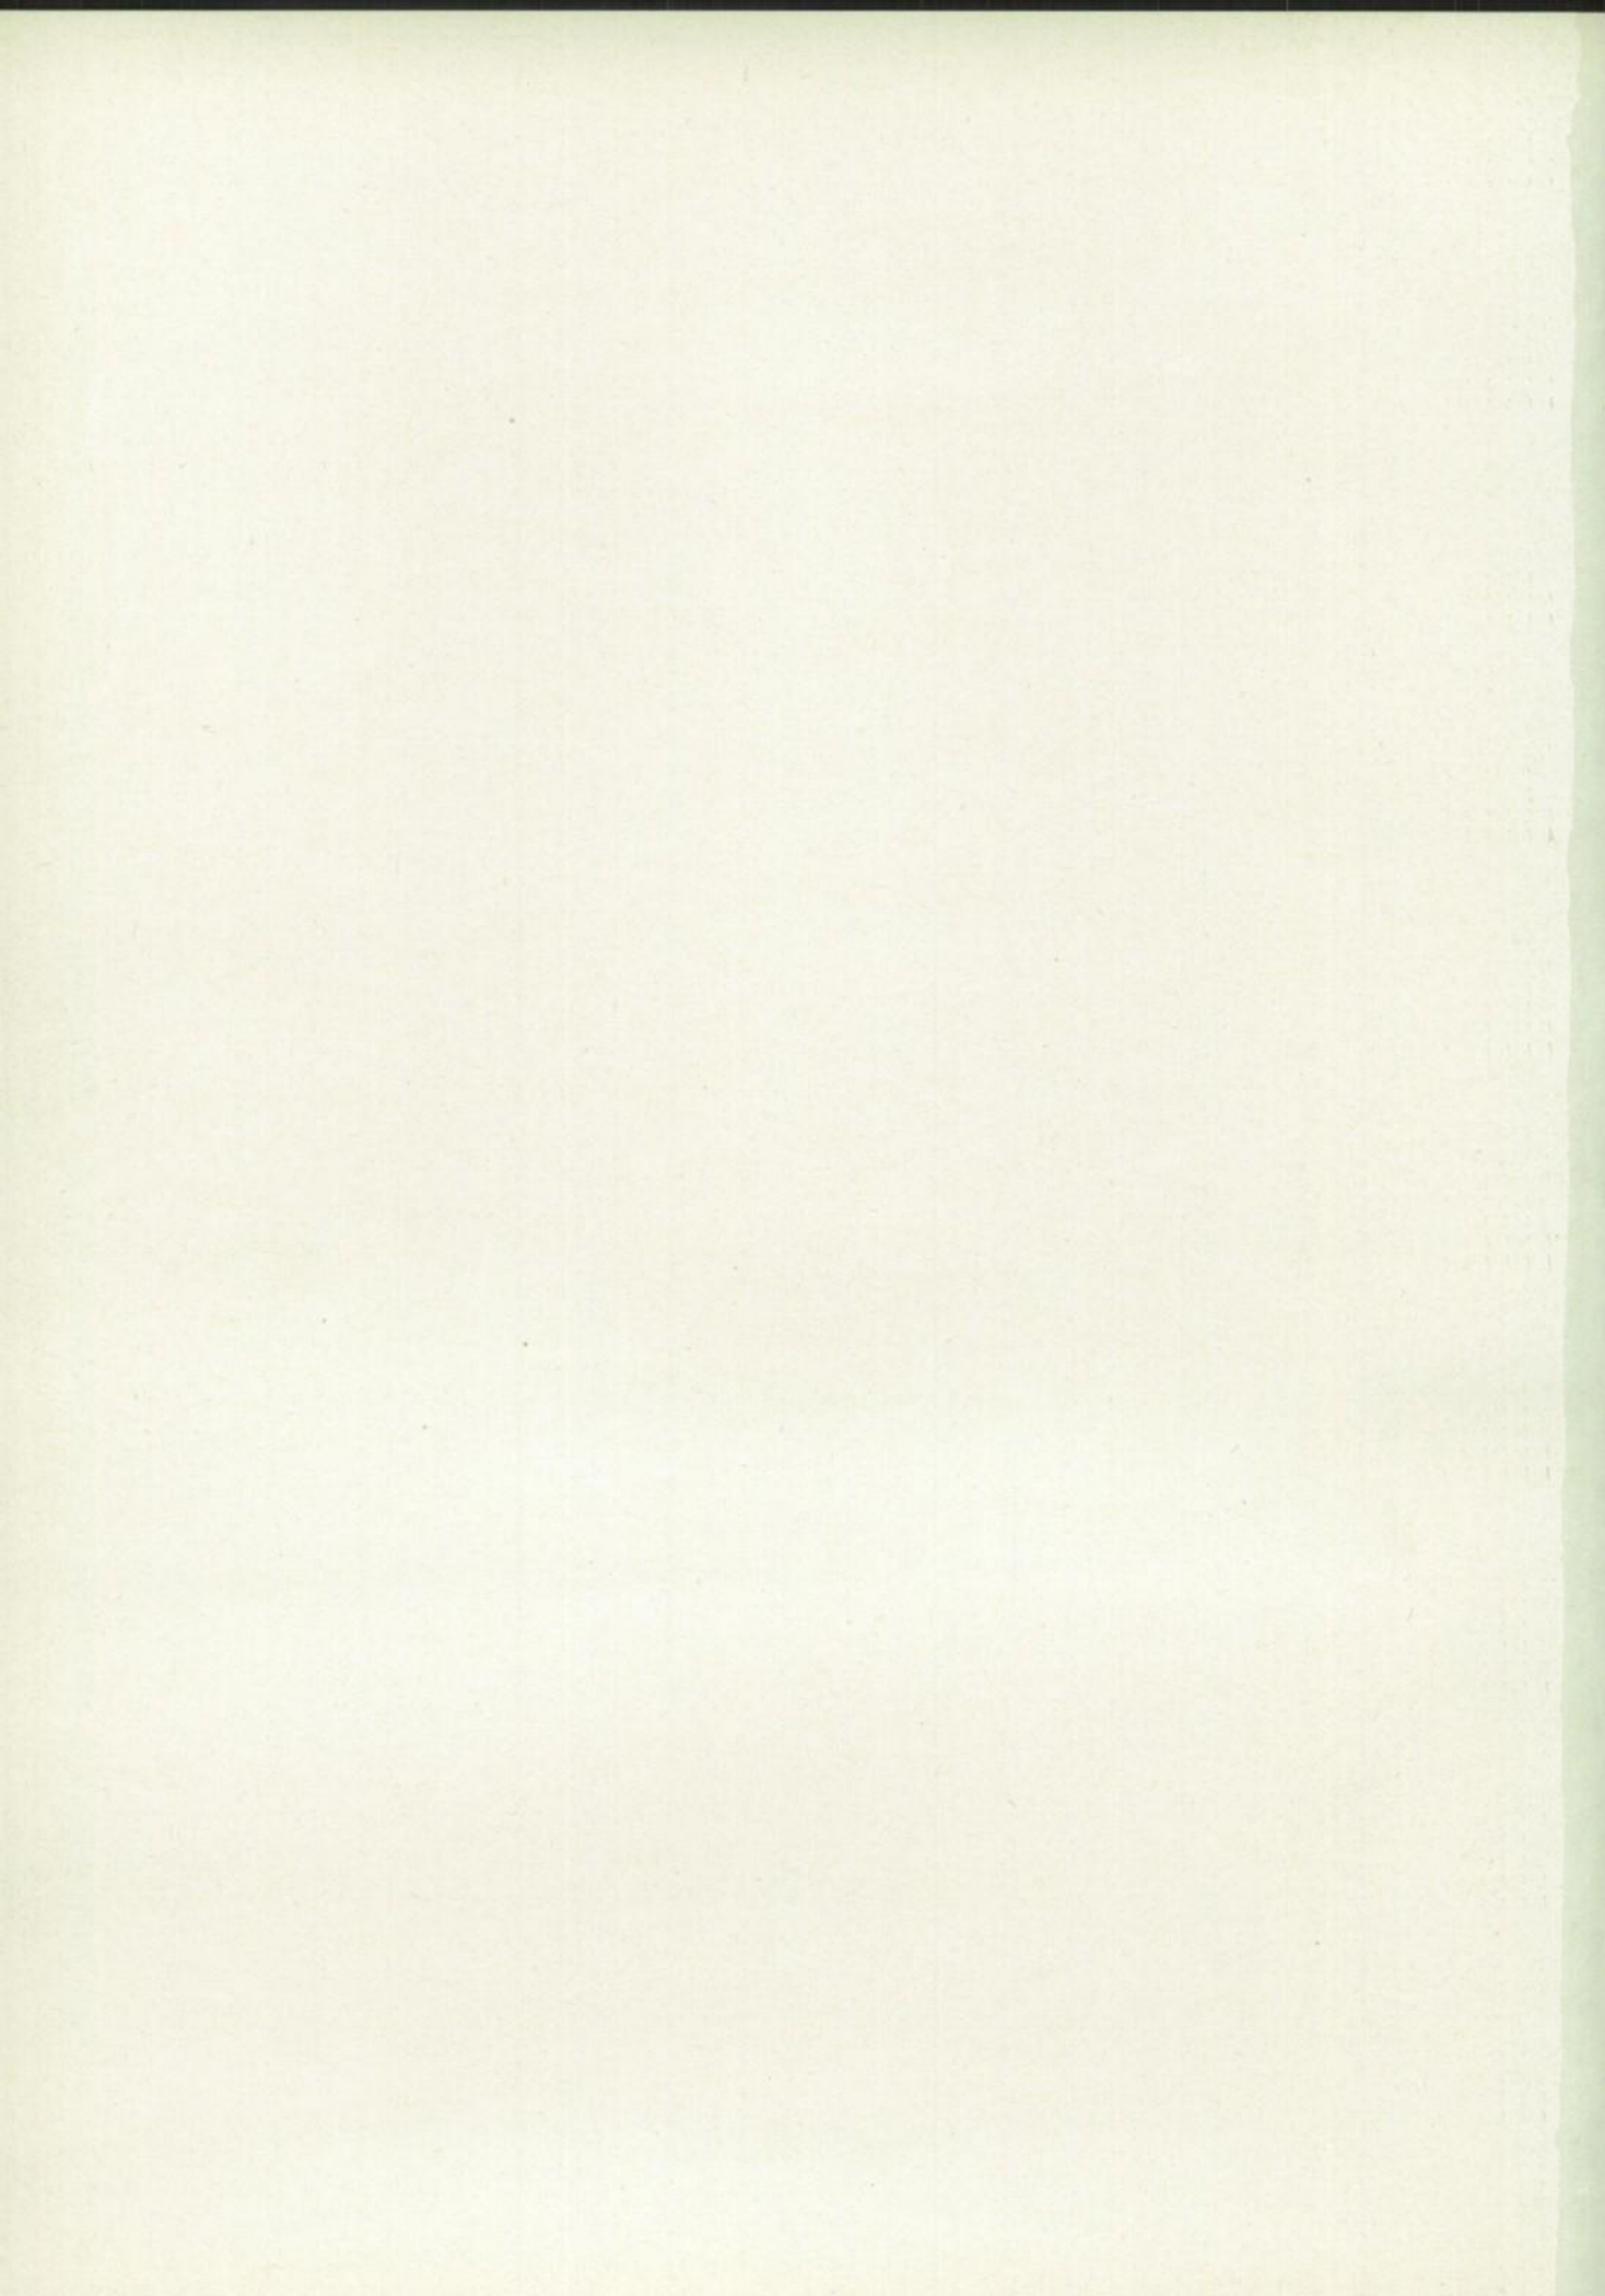

With our office in order and the Tiger in your hands, it's Life, "that confusing interruption in an otherwise blissful non-existence," must move onward and some will graduate to start the toil of life, while others return to have their silent slumber rudely shattered by that . . . alarm clock, sounding reveille for the Dear Old Alma Mater.
